Expanding Our Photocopying

Photocopying will continue to be a staple of the legal process. As a true one-stop shop, we now offer the high-volume copy services you need with the quality and turnaround you demand.

We have the high-speed, commercial-grade copiers to tackle your most demanding projects.

One-Stop Shop

The Data Company is your full-service litigation support firm. With our 30 years in the legal industry, we can deliver the professional service you demand — fully tailored to an attorney's needs.

We perform all litigation services in-house with our full-time staff rather than relying on part-time or outsourced assistance. This ensures our quality controls are unbeatable anywhere else in the industry.
